

Shipping Announcement

May 19th 2017

Schuyler Line Navigation Company LLC (SLNC) is pleased to announce their new partnership with Shipping.dk. SLNC is the sole provider of ocean transportation to the Defense Base in Thule, Greenland commencing this summer 2017. All cargo shipped to the Defense Base in Thule, Greenland will be loaded from the Port of Frederica, Denmark, on board SLNC operated vessels.

Shipping.dk will act as exclusive agents for SLNC in Denmark and they will provide a door to door logistics solution for shippers, if required. Services will include but not be limited to: equipment coordination, trucking, cargo handling and vessel stevedoring.

SLNC is excited to have partnered with this strong Danish Company and looks forward to working with all the shippers under this Defense Base Contract.

Please send all your equipment requests and booking inquiries to Shipping.dk at the below email address:

Greenland@shipping.dk

When sending your inquiry / request, please provide all details including - the cargo hazardous material declaration (when applicable), and if the cargo has any other special carriage requirements.

Upon receipt of your inquiry, Shipping.dk will reply with a booking form for you to complete.

After the booking form has been reviewed and accepted a SLNC booking number will be issued.

No cargo or equipment can be delivered or received until a booking number is issued.

More information along with Shipping schedule and cut off dates will be forthcoming in the coming weeks.
